

CRITICAL INCIDENT RESPONSE - JIBC

Student is involved in a critical call or incident

Student emails CIR@jibc.ca and provides the following information:

- Student's full name
- Cohort (i.e. NW-001 / ACP-25)
- Date and city the incident occurred
- Brief description of the incident
- Whether the student activated BCEHS CISM

Student should call their RTC/PEL if they wish to debrief or discuss the incident

JIBC Critical Incident Response Team member follows up with an email to the student providing contact information for the WorkSafe BC Critical Incident Response Program for personal counselling support. Students must connect within three (3) weeks of the CIS event to be eligible for five (5) free counselling sessions.

JIBC'S Student Services Coordinator can provide the student with individualized support which may include mental health services, academic accommodations and peer support.
